Federal Communications Commission  
Washington, DC 205544

To Whom It May Concern:

I wish to voice my opinion on the upcoming changes to the Amateur General Examination. I am in favor of terminating Morse Code for Amateur General and upgrading more talking privileges for the Amateur General.

I am also in favor of the following changes:

- 1) 3850 – 4000 khz PH moving it to 3800 – 4000 khz PH,
- 2) 7225 – 7300 khz PH moving it to 7200 – 7300 khz PH
- 3) terminating Morse Code on 2 meters and 6 meters.

Please inform me of the results of the upcoming changes.

Respectfully,

*Virginia Brenneman*
